in the DRC

7^{ème} édition

UNDER THE HIGH PATRONAGE OF HIS EXCELLENCY
THE PRESIDENT OF THE DEMOCRATIC REPUBLIC OF CONGO

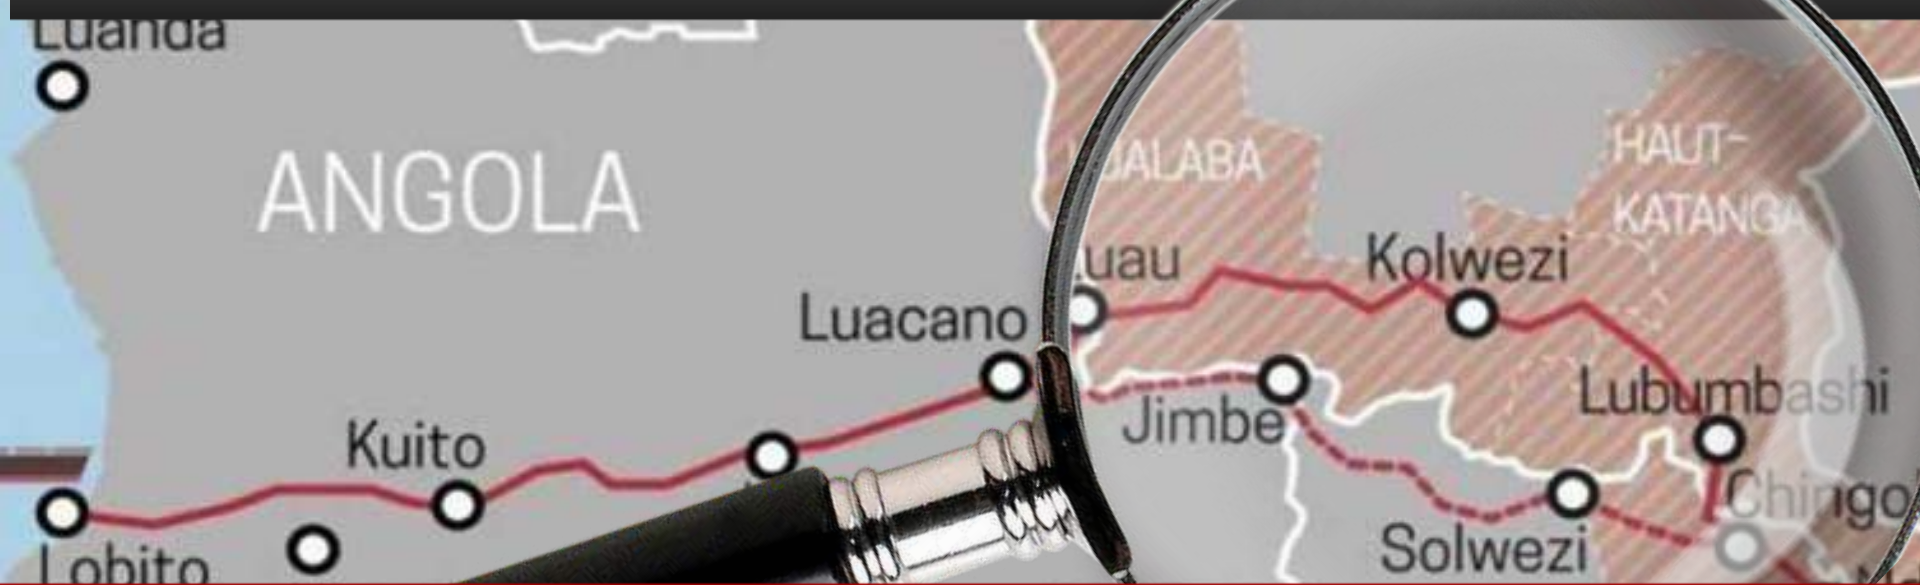

KOLWEZI-LUALABA

ELDORADO OF THE SOUTHERN CORRIDOR OF THE
DEMOCRATIC REPUBLIC OF CONGO-SADC.

6 - 9 September 2023

❖ SUMMARY:

- ✓ CONTEXT
- ✓ OBJECTIVES
- ✓ EXPECTED RESULTS
- ✓ METHODOLOGY
- ✓ NEEDS
- ✓ PARTICIPANTS
- ✓ PREPARATORY DOCUMENTS
- ✓ DURATION, PERIOD AND VENUE

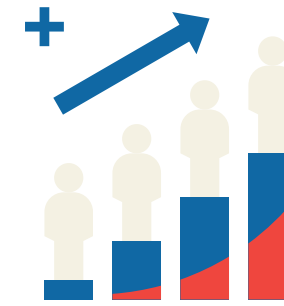

WELCOME TO KOLWEZI

1. BACKGROUND

A growing population is a source of difficulties

1 million inhabitants

Rush of migrants from other provinces of the DRC and neighbouring countries

Problems of planning, urban services (housing, sanitation, water, electricity) and social responsibility.

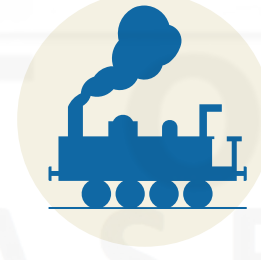

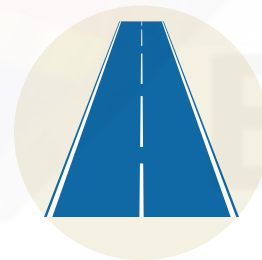

The largest mining center in the Democratic Republic of Congo

Cobalt copper, uranium and radium

Heavily dependent on the mining sector

Multimodal Transport

Energy

1982 Inga-Shaba line, 1120MW Also supplied by Zambia and local hydropower plants

35% labor

80% exports for copper and cobalt

Multiple activities

THE DEVELOPMENT CORRIDOR

Origin

- ✓ The Spatial Development Initiatives Program, in acronym PIDS, or Development Corridor
- ✓ Established in 1996 by the South African Department of Transport and the Department of Trade and Industry
- ✓ To meet the need for the macroeconomic framework of the country's new policy

Achievements

- ✓ Economic memoranda of understanding signed between the Congolese government and neighboring countries in the form of economic cooperation for the development of key sectors in the Southern Corridor of the DRC in order to strengthen their attraction to investment

Urban planning and
Infrastructure, Energy, Housing,
Logistics, SMEs, Trade,
Multimodal transport, Industry

What's next?

In order to accelerate integral development at the national and sub-regional levels, the Democratic Republic of Congo and its mining province of LUALABA, through the city of Kolwezi must be the locomotive of the establishment of a Coordination or Authority of the Southern Corridor between the Republic of Angola, the Republic of Zambia, the United Republic of Tanzania, the Republic of Namibia, the Republic of Botswana, Zimbabwe, Mozambique and South Africa.

2. OBJECTIVES

ExpoBeton RDC 2023 has chosen to place the issue of the Southern Corridor at the center of the reflections of the foundations of its

**7th
Edition**

SHARING, POPULARIZATION & DEEPENING OF
REFLECTIONS THROUGH TECHNICAL
WORKSHOPS AND EXHIBITIONS

1

Analyze and push the promoters, legislators and decision-makers of the member countries of the Southern Corridor to transform this part of the continent into a win-win area, through the establishment of a multimodal structure and a Regional Development Corridor, oriented towards multisectoral development

2

Facilitate the reliability of the corridor that extends from DRC/Kolwezi, Angola, Zambia, Namibia, Tanzania to Mozambique, with connectivity to Botswana and South Africa to return to Kolwezi

3. METHODOLOGY

In order to achieve the objectives set above, the 7th edition of ExpoBetonRDC has opted for the following approach:

✓ Conferences & debates

✓ Workshops

✓ Presentations

✓ Networking

✓ Recommendations

4. NEEDS

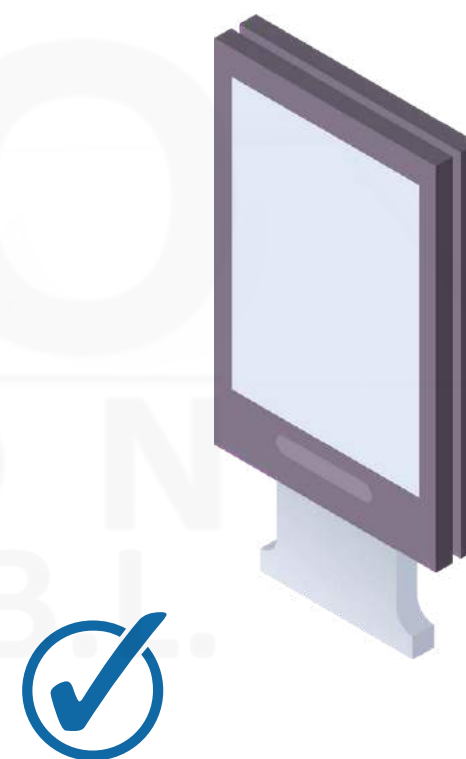

To organize these conferences, debates, workshops, exhibitions and follow-up of recommendations, ExpoBetonRDC Asbl needs:

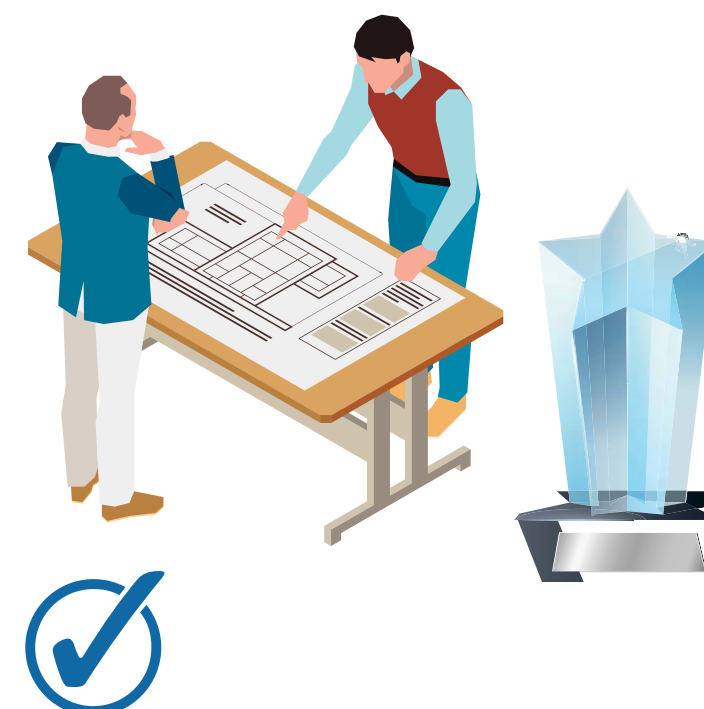

Contacts: decision-makers, elected officials, government officials, professional corporations, donors and experts, both Congolese and foreigners.

Conference Space, Exhibitions, Accommodation and Food in Kolwezi for 3 Days. (The event will take place in KATEBI LODGE).

National and international communication and publicity.

Support for competitions of students, architects, engineers and urban planners, related to the theme under study.

5. EXPECTED RESULTS

- ✓ Recommendations on the procedure for the development of the Southern Corridor;
- ✓ The elaboration of Urban Development Programs of the main cities taking into account the needs of the Southern Corridor;
- ✓ Identification of integrative business opportunities in the sub-region;
- ✓ The commitment of Public, Private and Financial Partners;
- ✓ Facilitation of trade in goods and services taking into account a tariff set by the 8 member countries (free trade and fight against customs barriers).
- ✓ Creating jobs close to employees;
- ✓ Developing multisectoral transport;
- ✓ Increased Private Investment;
- ✓ Public investment in DRVs and other equipment as well as promotion of Public-Private Partnership;
- ✓ Creation of jobs for millions of people, etc.

6. PARTICIPANTS

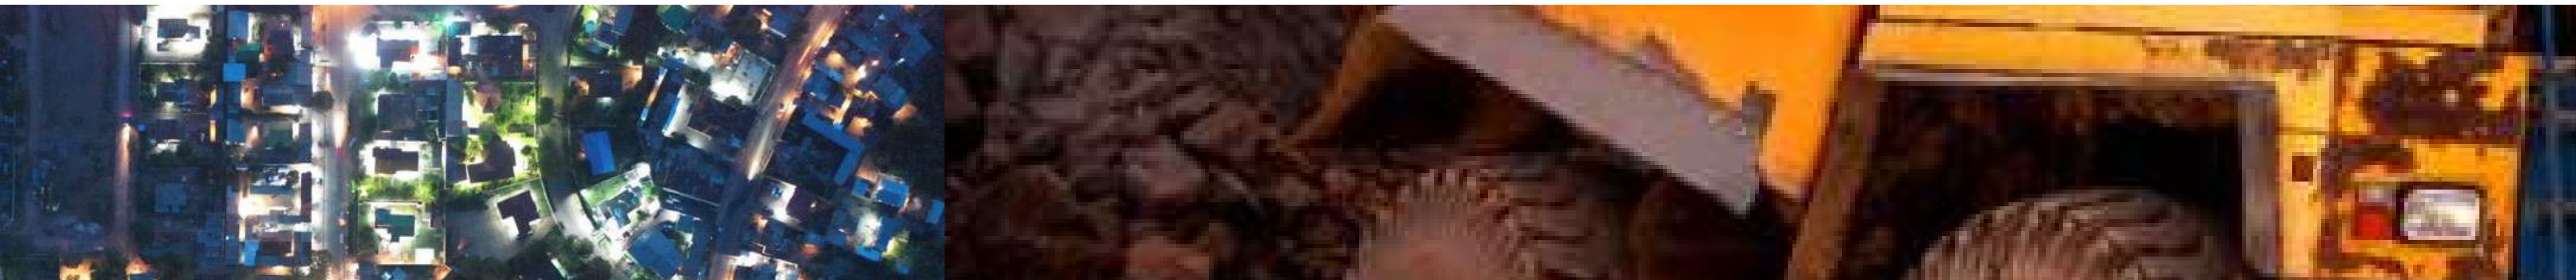

- ✓ Political decision-makers, members of the National and Provincial Government (City of Kolwezi/D.R.Congo, Angola, Zambia, Zimbabwe, Tanzania, Mozambique, Botswana, and South Africa), Senators, National and Provincial Members of Parliament;
- ✓ Companies and public institutions involved in the reconstruction of member countries;
- ✓ The private sector, investment, trade and services, industry, development partners, diplomatic representations;
- ✓ Customary authorities;
- ✓ International financial institutions ;
- ✓ Construction professionals;
- ✓ The Corps of Military Engineers;
- ✓ Faculty Boards of Higher and Academic Institutions;
- ✓ Independent researchers;
- ✓ Students ;
- ✓ Real estate developers;
- ✓ Hardware stores, etc.

7. PREPARATORY DOCUMENTS:

- ✓ The summary report of the 3rd edition of ExpoBetonRDC 2018 held at the Pullman Hotel in Kinshasa, from September 18 to 21, 2018 on the theme "WESTERN CORRIDOR: PROJECTS TO BE DEVELOPED AND BUSINESS OPPORTUNITIES;
- ✓ Bilateral and sub-regional cooperation agreements;
- ✓ The Spatial Development Initiatives Program, in acronym PIDS, or Development Corridor; etc.
